Man Makes Cool Thing!!!

A inventer named dr. Gloop Bloop makes a revolutionary technology: **Goop**. the Gooy. Orbital. Obeying. Partner. or Goop is a blob that floats to you and waits for a command. It works by heating/cooling the air inside of it to control it's height and uses a fan inside to move.

The Goop is still a prototype becuase it moves slow and can't grab yet, but it should be out by 2026. -dr. Gloop Bloop

Freddy Fazbear's Pizza is Open!!!

back in 2014, five crazy children **destroyed** all of the animatronics and equipment making it close. but now you can enjoy some FizzyFaz and pizza at Freddy's. "We can't beleave that kids almost ended our establishment!" says Fazbear Entertainment.
